Futuresport with Vic Braden and Charlie Jones

In this episode of Futuresport, Vic Braden welcomes Charlie Jones, known as the voice of the AFL football and the original Super Bowl. Despite his fame in football, Jones is not usually seen on the golf course. He shares his struggles with direction and distance in golf, a common issue among high handicappers and weekend players.

The show promises to reveal golfing secrets that viewers have likely never seen before. Using aerospace technology and computers, they will compare Jones' golfing skills to those of U.S. Open winner Jerry Tate. The episode promises to be entertaining and informative, with Jones commenting on the unique experience of playing golf in front of cameras and a gallery.
